

The Hit Kit ripper is a free piece of software that allows you to convert the drum and percussion samples on the Hit Kit Audio CD into a format that you can import into the Logic program. YOU ONLY NEED THE HIT KIT RIPPER IF YOU USE A PC. If you are using a Mac, you do not need any additional software to convert the samples. Just follow the steps in the Getting Started Instructions.

### **Download Now button**

Clicking the Download Now button means you have accepted the terms and conditions of the End User License Agreement below. If you do not agree with such terms and conditions do not click the Download Now button.

### **End User Licence Agreement**

This End User Licence Agreement is a legal agreement between you and Dorling Kindersley. By clicking the "Download Now" button above, or by installing or otherwise using Hit Kit Ripper (the Software"), you agree to be bound by the terms of this End User Licence Agreement. If you do not agree, you are not licensed to use the Software, and you must destroy any downloaded copies of the Software in your possession or control.

#### **1. Licence**

Dorling Kindersley grants you a non-exclusive, non-transferable licence to install and use the Software on a single desktop computer only. You may not make or distribute copies of the Software, or electronically transfer the Software from one computer to another or over a network. You may not decompile, disassemble or otherwise reverse engineer the Software. You may not alter, merge, modify, adapt or translate the Software, or create derivative works based upon the Software. You may not sell, assign, transfer, rent, lease, sublicense or otherwise dispose of the Software.

#### **2. Warranty Disclaimer**

The Software is provided to you free of charge, and on an "as-is" basis. Dorling Kindersley provides no warranties or technical support for the software. Dorling Kindersley does not warrant that the Software is free from all viruses, is error-free or will operate without interruption. To the extent permitted by the applicable law, Dorling Kindersley disclaims all warranties, either express or implied, in respect of the Software, including any warranties of fitness for a particular purpose, merchantable quality, or non-infringement of third-party rights. Any data downloaded through the use of the Software is done at your own discretion and risk and you will be solely responsible for any damage to your computer system or loss of data that results from the download or use of any such material.

#### **3. Limitation of Liability**

In no event shall Dorling Kindersley be liable to you or any third party for any loss of use, interruption of business, or any direct, indirect, special, incidental, or consequential damages of any kind (including damages for the inability to use equipment, loss of profits, or the like) arising out of the use of, or inability to use, the Software, regardless of the form of action whether in contract, tort (including negligence), strict product liability or otherwise, even if Dorling Kindersley has been advised of the possibility of such damages.

#### **4. Intellectual Property**

You acknowledge that any and all of the copyright, trademarks, trade names, patents and other intellectual property rights subsisting in or used in connection with the Software are and shall remain the sole property of Dorling Kindersley. You shall not during or at any time after the expiry or termination of this Licence in any way question or dispute the ownership by Dorling Kindersley.

#### **5 Governing Law**

This Agreement is construed in accordance with English Law and the parties hereby submit to the non-exclusive jurisdiction of the English courts.
